

HS RELIANCE
INTERNATIONAL

Discover true innovation with a system that enables greater efficiency. **Meet the new I-OPS™**
In-Office Procedure System from Reliance.

Increase efficiency. Improve safety. See more patients.

I-OPS In-Office Procedure System allows you to perform injections and other in-office procedures quickly, efficiently, and safely.

I-OPS durable, modular tray has space for up to nine interchangeable inserts so you can customize the system to your needs.

I-OPS helps you:

- Reduce wasted movements and risk of errors
- Increase patient comfort and throughput
- Standardize your procedures

SAVE ON THE INNOVATIVE I-OPS FOR A LIMITED TIME.
