

The Next Generation in Pachymetry

The PachPen® - Handheld Pachymeter Product Number: 24-5100

Accutome's PachPen® is the perfect combination of accuracy, portability and comfort. The superior ergonomic design fits comfortably in any hand, offering a major improvement from other handheld models.

Accurate

- 65 MHz sampling probe ensures precise measurements.
- Uses Digital Signal Analysis to analyze wave patterns and eliminate non perpendicular measurements.

Easy-to-Use

- Ergonomic design, combined with sighting lines, allow for easy visualization of the cornea, facilitating both centralization and perpendicularity.
- Contoured molding with large, visible LCD allows the PachPen® to be used ambidextrously and fit comfortably in any size hand.

Ready-to-Use

- Digital ultrasound analysis eliminates need for calibration.
- Long lasting lithium battery lasts 4-6 months.

Portability

- Weighs only 3.0 oz.
- Comes with custom, heavy duty traveling case and lanyard for safe transportation.

Versatility

- Fast measurements with patient in any position.
- Frees up valuable office space.

Smarter Software

- Stores and averages nine measurements.
- Built in IOP Correction Calculator adjusts IOP based on corneal thickness.
