VERSATILE...

QUICK... CONVENIENT...

FUNCTIONAL

The TOPCON ACP-8_R Auto Chart Projector provides improved sharp and clear image projection and fast chart rotation. A cordless remote controller allows instant projection of the 30 AO compatible test charts at a rate of 0.03 seconds per frame. In addition, the ACP-8_R can offer 3 × 5 character charts with a wide projection size (330 × 270) for fast and efficient testing.

Features

● Two Program Settings

The ACP-8_R can be programmed to project a specific sequence of charts for maximum flexibility and refraction ease. Two programs can be memorized.

● Single Character Masking

The versatile masking capabilities of the ACP-8_R allow projection of a single character at a time.

● Easy Setup and Maintenance

Focusing setup is easily adjusted without opening the cover. It is also very easy to replace the bulb. You can replace the bulb without any adjustment.

● Coupled with CV-3000

The ACP-8_R can be remote controlled directly with the TOPCON Compu Vision CV-3000 remote controller. This combination allows the operator to quickly and easily access all functions for general visual examination.

● Tilt Function

The horizontal axis of the projector can be adjusted to guarantee a perfectly positioned projection on the screen.

● Variable Focus Lens

The variable focus lens of the ACP-8_R allows the instrument to be positioned wherever it is most convenient.

Technical Specifications

Refracting distance:	2.9 to 6.1 m
Variable focus projection distance:	2.9 to 7.1 m
Projection magnification:	30x (in 5m refraction)
Projection size:	330 x 270mm, ϕ 300mm
Number of charts:	30
Chart change-over:	1 frame/0.03 sec.
Number of masks:	Open 1, Horizontal line 5, Vertical line 8, Single isolation 21, R & G 1
Mask change-over:	1 frame/0.02 sec.
Program step:	2 type, Max. 30 steps available
Projection lamp:	12v 50w (Halogen lamp)
Automatic shut-off:	After 10 minutes
Electricity:	AC 120, 220, 230 or 240V, 50/60Hz
Power consumption:	80VA
Dimensions:	226 (W) x 300 (D) x 245 (H)mm *including Base height
Weight:	6.0kgs

Standard Accessories

- **Polarized Metal Screen**
(21.7" x 17.7"
with non-glare finish)

Optional Accessories

- **Wall Mount Bracket**
- **Base**

*Subject to change in design and/or specifications without advanced notice.

IMPORTANT

In order to obtain the best results with this instrument, please be sure to review all user instructions prior to operation.
